

1. REGISTER
2. CONNECTING THE MASHINE TO THE NETWORK
3. DOWNLOAD THE APP

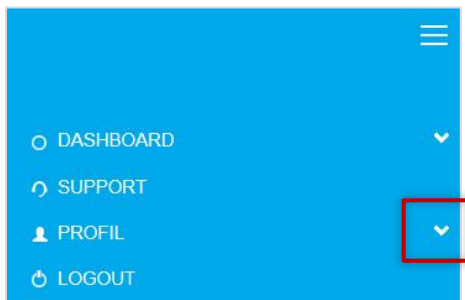

## 4. CONNECTING MACHINE AND APP (PAIRING)

Is your warewasher operational and successfully connected to your network? Then pair machine and app as follows:

- Open app (or access URL [www.connected-wash.biz/start](http://www.connected-wash.biz/start) ).
- Open menu.

- Open menu item "PROFILE".

### INFO

Pressing directly on "PROFILE" opens your profile data.

Return with

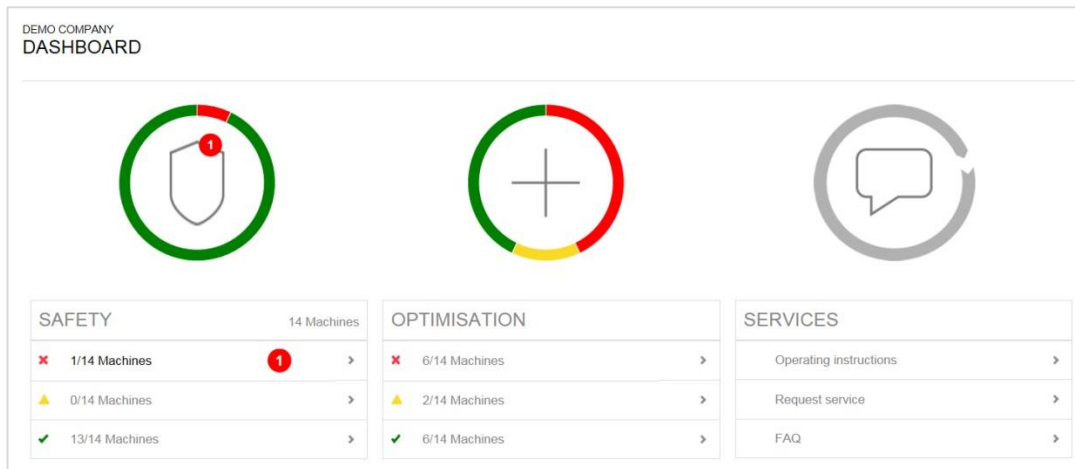

- Select "ADD MACHINE" from the menu.

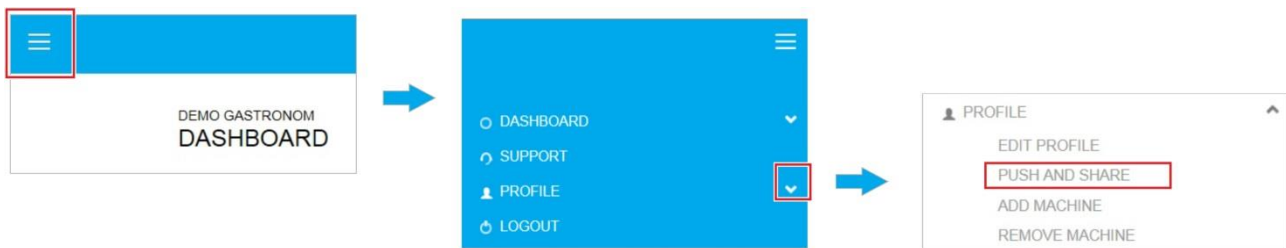

- Follow the instructions on the display and perform the following 3 steps:
  1. Enter serial number
  2. Record location
  3. Carry out pairing

Once you have successfully paired the machine with the app, you can utilise all features of CONNECTED WASH. To do this, simply access “DASHBOARD”:

## PUSH and APPROVAL

⇒ A list of all machines appears in your user account:
